Unfortunately, the original version of the article contains some typos and incorrect equations. We sincerely thank our readers for bringing some of these errors to our attention and apologize for any inconvenience caused. Corrections, written in red, have been listed below.

1) Equation 30 should be

$$\frac{1}{Z_{eq}} = \frac{1}{Z_1} + \frac{1}{Z_2} + \frac{1}{Z_3} + \ldots$$

2) On p 172, left column above eq 49, the text should be

..., we get that $R1 = \frac{1}{\omega_{Z''_{max}} C}$, and consequently ...

3) The equation at the end of the Figure 15 and 16 captions should be

$$Y_w = 10^{-2}\ Ohm^{-1}\ s^{1/2}$$

4) In Table 2, the last line should be

0.5	45	45	$Z(\omega) = \frac{1}{Y_o\sqrt{j\omega}}$

5) On p 178, left column, the text above eq 72 and eqs 72−74 should be

... proposed eqs 72 and 73, respectively, ...

$$R_u CPE \quad : \quad \overline{C}_{dl} = Y_o^{\frac{1}{n}} \left(\frac{1}{R_u}\right)^{\frac{n-1}{n}} \qquad eq.\ 72$$

$$R_u(C_{dl}\, R_{ct}) \quad : \quad \overline{C}_{dl} = Y_o^{\frac{1}{n}} \left(\frac{1}{R_u} + \frac{1}{R_{ct}}\right)^{\frac{n-1}{n}} \qquad eq.\ 73$$

$$[R_f CPE] \quad : \quad \overline{C}_{dl} = Y_o^{\frac{1}{n}} \left(\frac{1}{R_f}\right)^{\frac{n-1}{n}} = Y_o \omega_{Z''_{max}}{}^{n-1} \qquad eq.\ 74$$
